

# The Otter Tail River Watershed: Water, Life & You

**Thursday, August 9**

**5-8pm**

**Dunton Locks County Park,  
Detroit Lakes**

**Join the conversation about water and explore how water flows through our daily lives. This free outdoor festival has 20+ interactive learning stations for all ages including science demonstrations, music, performing arts, and local history.**

### **Something for everyone:**

- ◆ Create your own water art project!
- ◆ Sample a flight of water at the Water Bar!
- ◆ View the 4-H Aquatic Robotics demonstration
- ◆ Explore our touch screen land use simulators
- ◆ Learn about Aquatic Invasive Species ID
- ◆ Try out the hands-on model stream

***Enter  
for a  
chance  
to win a  
Kayak!***
