

CEB
LAKE DETROITERS
ASSOCIATION
Inc.

SEVENTH ANNUAL BULLETIN

Report For The Year **1956**

Our Fiscal Year, May 1, 1956 To May 1, 1957

The President's Message

Since the annual meeting of the members of the Lake Detroiters Association your Board of Directors has met four times to formulate plans for the coming year.

First we have made several contacts with other lake property owners and have found that they have been organizing throughout the state, and also have found that interest to be active to say the least. A lobbyist is already at work and your tax committee is in

contact and we feel that it is a step in the right direction for some tax reduction on lake property.

Your weed control committee has engaged what they believe to be a very competent organization to eradicate the heavy weed growth in both lakes. The City of Detroit Lakes, has signified their interest to cooperate fully and financially. The cost will be much lower and your participation is hereby solicited.

Your Association also has set up ways and means to clean up the debris and remove all fish houses, so that when spring comes we will not have all of this on our beaches.

We plan a couple of meetings involving all members and your attendance would be a big help. This is your Association, let's all take some active interest in it.

GEORGE H. MAY,
President.

OFFICERS AND DIRECTORS OF THE LAKE DETROITERS ASSOCIATION, INC., for the year 1956-57 are shown in the photo above. They are, front row, left to right—George H. May, Taylor's Point, president; D. C. Brandvold, West Shore, secretary-treasurer. Back row—Conrad C. Reitan, North Shore, director; Robert Irvine, City View Beach, director; Dr. Thomas A. Rogstad, North Shore, director; Lee V. Schaleben, North Shore, director. Missing from the picture are William G. Akeley, North Shore, director; Fred L. Diles, West Shore, director and Bradley C. Marks, Burritt Beach, director.

Meetings Of The Association . . .

Board Meeting, Graystone Hotel May 20, 1956, 8:30 A. M.

Motion made to accept H. Fligelman's resignation and give the president authority to appoint a new board member.

Motion made to pay the secretary \$100 a year as a salary. Passed unanimously.

Moved and seconded that Don Brandvold be appointed secretary-treasurer. Brandvold contacted and he accepted.

General matters of all committees discussed.

Membership committee meeting to be held the Saturday following publication of bulletin. Secretary

to advise all zone captains by letter.

Members present: W. Randolph, W. Hogansen, R. L. Bratt, George May, A. W. Hedlund, William Akeley.

Meeting adjourned at 10:45 a. m.

R. L. BRATT,
Secretary

Meeting of the Board of Directors June 23, 1956

A meeting of the Board of Directors was held at the Graystone Hotel. The following members of the Board were present: Willard Randolph, George H. May, D. C. Brandvold, William G. Akeley, Robert L. Bratt, William F. Hoganson, Bradley C. Marks and Carl J. Nedberge. The meeting was called to order by Willard Randolph, president. The reading of the minutes of the previous meeting were dispensed with by agreement of the Board. Mr. Carl Buck appeared on behalf of the Lake Sally-Melissa Association, for the purpose of soliciting membership into a Resort Group for the purpose of equalizing the taxes on lake property. A general discussion was had, after which George May made a motion that the Tax Committee take charge of the matter and that funds be paid them as needed, the Lake Detroiters Association to contribute their equal amount. This motion was seconded by Robert Bratt. Motion duly carried.

John Steinkopf, Becker County Sheriff, appeared at the request of the Board and after a general discussion as to the Small Boat Law and water craft regulation on Detroit lake, a motion was made by William Akeley, seconded by Robert Bratt, that Clem TeVogt be appointed a special deputy to assist the enforcement of water craft laws. Motion duly carried. Local and Fargo papers are to publish this information for the benefit of the public concerned.

On motion of Robert Bratt, seconded by William Hoganson the following bills were approved and ordered paid: Detroit Lakes Business College, \$4.05; Byron Allen Agency, \$17.10; Detroit Lakes Tribune, \$195.65. Motion carried.

There was then a general discussion as to having publicity of the Association in the papers for the purpose of letting the people know what the group is doing. A letter is to be sent out to all people on the lake telling them about the action taken in regard to the tax matter, spraying and try to encourage them to have membership in the organization. Copies of the bulletin were given to each member. A determined membership drive is to be started soon.

It was agreed to have the next board meeting July 7 at 12 noon at the Graystone Hotel.

Meeting adjourned.

D. C. BRANDVOLD,
Secretary

August 4, 1956

A meeting of the Board of Directors was held at the Graystone Hotel on Saturday, August 4, at 1 p. m. The following members of the Board were present: Willard

Randolph, Robert L. Bratt, William F. Hoganson, Bradley C. Marks and D. C. Brandvold. The meeting was called to order by Willard Randolph, president. The reading of the minutes of the previous meeting was dispensed with by agreement of the Board. A discussion was had as to a date for the Annual Meeting, it being agreed that August 18 would be the date. A motion was made by Robert Bratt, seconded by William Hoganson that the Annual Meeting be held on August 18th at 2 p. m. at either the Park Hotel or the Graystone Hotel. Motion carried.

The following members were then selected to act as the nominating committee: William Humphrey, William Reid, Otto Haakenstad and William Akeley. The above to give their report and selection at the Annual Meeting on August 18.

Willard Randolph, president, tendered his resignation as president due to the fact that he was leaving Detroit Lakes and asked that he be relieved of his duties as president. Bradley Marks moved to accept the resignation with re-

grets, thanking Mr. Randolph for his efforts in the Lake Detroiters Association.

The meeting was then adjourned.

D. C. BRANDVOLD,
Secretary

Annual Meeting August 18, 1956

The annual meeting of the Lake Detroiters Association was held at the Park Hotel August 18 at 2 p. m. There being a quorum present, George H. May, vice president, called the meeting to order. The minutes of the last annual meeting as well as the minutes of the meetings of the Board of Directors were read. There being no objections or corrections the minutes stand approved as read.

George May appointed the following to act as an auditing committee: William Akeley, Robert Bratt and Ed Cosgriff.

William Reid of the nominating committee presented the following names in nomination for the

This Is Your Association . . . Support It!

The Lake Detroiters Association is for all people having property on Little or Big Detroit lake. This is your association and it is only by the membership of everyone that a success can be made of any association of this type. With the increase of interest in lake living a number of things come up that by being organized can be accomplished through this Association if everyone will only join and take some interest. After all in most cases everyone has considerable invested in their property and by some of the things that the Association does only helps to make your cottage or home a better investment. The different committees have been working and there is need for more cooperation by all members to help push over some of the work already started.

It would be appreciated if when receiving your bulletin that you send in your membership at once and also try to get your neighbors that are not members to also join and send in their \$5.00. We should have 300 members. Let's all get behind this Association and make it a good one.

Board of Directors: Fred L. Diles, Robert W. Irvine, Conrad C. Reitan, Dr. T. A. Rogstad and Lee V. Schaleben. There being no further nominations from the floor Ralph Holland moved that the secretary cast a unanimous ballot for the slate of directors nominated.

Ed Cosgriff reported on the good of having such an organization and need for one, also that perhaps there are too many committees at present and that some should be dropped for the time being. Otto Haakenstad reported that the organization has done considerable towards good roads and other improvements about the lake, stated that there is a need for this organization.

Marlow Baxter also reported the need for this group and that as a suggestion the board consider the Chairman of the membership committee and the Secretary-Treasurer be a paid person. Ralph Holland suggested that the bulletin get out as early as possible in the spring to help the membership. Leona Nicholson suggested that more women be placed on committees and that letters go out to the new members and residents asking them to join the group.

More members are needed. George May discussed the organization of a state group made up of all lake groups for the purpose of taxation and things should be done to attract membership in the organization of such a group.

Clem TeVogt reported that he has had seven calls in regard to boat regulations, also that the channel between the two lakes is in need of dredging. He was instructed to obtain information as to the obtaining of a pump from Walker for this work. William Reid reported on the stocking of the lake with walleyes and that according to reports from the State Fisheries the fish are doing very well in Detroit lake and stocking will be done according to tests made at this time.

A general discussion was had in regard to the weed control. Dr. Tom Rogstad stated that this program has to be started early and that there has to be cooperation of all people on the lake before it can be made effective. It was also suggested that the members of this group have closer contact with the Board of Directors so that consideration can be given to all problems effecting the members of the Lake Detroiters Association. The Board of Directors is to meet August 25 at the Graystone Hotel at 2 p. m.

The meeting was then adjourned and coffee and doughnuts were served those present.

D. C. BRANDVOLD,
Secretary-Treasurer

Board Meeting August 25, 1956

A meeting of the Board of Directors was held at the Graystone

Hotel on August 25, 1956, at 2 p. m. The following members were present: George H. May, Dr. Tom Rogstad, Con Reitan, Robert Irvine and Lee Schaleben. George May called the meeting to order and nominations were asked for the office of president. George May was nominated for president and was duly elected. Tom Rogstad was nominated for vice president and was duly elected. D. C. Brandvold was nominated for secretary-treasurer and was duly elected. A motion was made and duly carried that the secretary-treasurer receive \$150 per year for his services and that on all new members he receive \$2.50 and on members that have to be called on to collect he receive \$1.50. There was a general discussion as to control of weeds, and the channel. There was also a discussion as to the merging of some of the committees. A motion was made authorizing Tom Rogstad to draw up to \$50 for weed control. George May announced that he would be announcing the committee appointments soon and that an effort would be made to get the association more active for the coming year.

D. C. BRANDVOLD,
Secretary-Treasurer

December 8, 1956

A meeting of the Board of Directors was held at the Graystone Hotel at 2 p. m. The following Board members were present: George H. May, Dr. Tom Rogstad, Fred Diles, Lee Schaleben and Don Brandvold. Plans were discussed for the coming year and it was agreed to check into the possibility of having something done about the water weeds in the two lakes. Insect control was discussed and all members of the Association will be asked to take part. Tax on lake property was discussed and plans made to have the tax committee take an active part in trying to obtain some relief for the cottage owner. There being nothing further at this time the meeting was adjourned.

D. C. BRANDVOLD,
Secretary-Treasurer

January 19, 1957

A meeting of the Board of Directors was held at the Graystone Hotel. The following members were present: George May, Dr. Tom Rogstad, Conrad Reitan, William Akeley, Don Brandvold, William Stevenson, Harold Carlson, Fred Alteg, Wayne Lance and Mel Ulrich. There was a general discussion as to the weed control in the lakes of Detroit as well as Sally and Melissa. Some of the members of the Lake Sally-Melissa group were present and it was agreed to attempt to get a Mr. Longtime to attend a meeting January 26 to discuss the weed control problem. A draft of a bill drawn by Henry Steining for the relief of taxes on lake property

was presented and discussed. A motion was made and seconded that the Tax Committee present this bill to the Legislature. Motion carried.

It was also agreed that an effort should be made to get the fish houses removed from the lakes before spring so that the debris would not float into shore and litter the beaches in the spring. The local papers are to be contacted and also the game wardens to see if this matter could be helped in any way.

D. C. BRANDVOLD,
Secretary-Treasurer

January 26, 1957

A meeting of the Board of Directors was held at the Graystone Hotel at 12 o'clock noon with a luncheon. Members attending included: George May, Dr. Tom Rogstad, Fred Diles, Conrad Reitan, Marlow Baxter, Ed Nelson, Les Stolp, Wayne Lance, Mel Ulrich and Ed Longtime, Dr. E. L. Browe and Clayton Hamilton of Minneapolis, water weed experts. The plan which this group has for killing water weeds was discussed at length and also the cost. It was agreed that the weed condition in Detroit, Sally and Melissa lakes has reached a serious stage and that something will have to be done to kill these weeds. Mr. Hamilton and Mr. Longtime both explained in detail their method of spraying for weeds and the types of chemical used. They also stated that they had very good success last year in some of the lakes that they treated. A motion was made by Fred Diles, seconded by Conrad Reitan that the Association accept their program for killing weeds in Detroit lake and that the price to the property owners and members of the Association be 15c per foot and to non-members 20c per foot. Motion carried. Dr. Tom Rogstad and his committee will handle this project and it is hoped that all members will lend a hand in helping to make this a complete job around the lake. Notice will be sent to all members and non-members around the lake. There being nothing further the meeting was adjourned.

D. C. BRANDVOLD,
Secretary-Treasurer

Tax Committee Report . . .

The Tax Committee of your Association has been active in helping to present a bill to the Legislature in which lake cottages would be benefited. This bill has been introduced in the Legislature amending Sections 273.13 and 127.05. If this law is adopted, lake cottages would be benefitted by the inclusion of language in each of the sections by inserting the words "all real estate devoted to temporary seasonal or recreational occupancy but not devoted to commercial

use." It is felt that this language would bring about a new classification of real estate used for summer cottages.

The bill is being backed by various associations throughout the state. If the bill passes, there would be new valuation of lake shore property as of 1957 and would be reflected in the amount of taxes to be paid in 1958.

HENRY C. STIENING
Chairman

Water Level, Weeds And Algae Control Report of Committee

Past results of our weed spraying have been gratifying to some of our residents, and extremely disappointing to others. There are some areas where it has done a very good job, and other areas where very few results were attained.

Your Committee has tried to find another solution to our problems, and we have contacted Dr. Lloyd Smith, Professor of the Department of Etomology and Economic Zoology at the University of Minnesota. Here is his reply to our inquiries:

"Weed control is an annual affair at least for two or three successive applications. Then sometimes a measure of control is attained without additional spraying. Sodium arsenite is the commonest material used and when properly applied is very effective."

We also wrote to the Supervisor of the Biological Services, Bureau of Research and Planning, Department of Conservation, State of Minnesota, Mr. Bernard R. Jones. Here is his reply, in part:

"Spraying with sodium arsenite still appears to be the most effective method for control of submerged aquatic plants, and sodium arsenite is recommended for general use."

So now we know that in the past years we have used the most effective means known against our lake weeds.

The Committee feels that the one possible fault with our previous treatments has been the time of spraying. In years past, we have had to set an arbitrary date rather than spray when the conditions were most favorable. This was due to the fact that the only aquatic weed sprayer was based in Wisconsin.

This year we have been in contact with Messrs. Clayton Hamilton and Edward Longtime, who were recommended by Mr. Jones. Mr. Longtime is well-qualified, is a graduate biologist, and has served several years with the Department of Conservation, State of Minnesota. They will be based at Staples, Minnesota.

They have made us an offer where we can spray at a considerably lower rate than we have ever had before. From our preliminary negotiations with Messrs. Hamilton and Longtime, we can

spray at a cost of 15c per front foot for Association members and 20c per front foot for non-members. This spraying will extend out approximately 200 feet, depending on the depth of the water. They will take care of all loading and unloading of chemicals, warning signs and patrols. They will keep close check on the growth of our weeds so that the spraying can be done at just the right time. They will also give us a partial guarantee on the success of the operation.

As in any operation of this magnitude there are many problems. First, we must have a permit from

the State of Minnesota to cover every area that is sprayed. Secondly, we must have large enough areas of lakeshore so that we can get our best results. In other words, there is no use to spray a lot here, and a lot there, or every other lot; we should have a continuous strip of at least 500 feet at a minimum, otherwise our chemical is disapated and lost. To achieve this, your Committee will have to rely on the residents to line up their neighbors so as to give us this minimum frontage.

DR. THOMAS A. ROGSTAD
Chairman
